Well Worth the Wait!

Mark 16.1-8

5 April 2015 Easter Sunday

Upcoming Mission Opportunities

The Free Clinic of Central Virginia provides medical, dental and prescription services for those who can not afford medical care. Information about the clinic is on the visitor table. On **May 2nd from 10 am to 4 pm** is their **Annual Loft Tour** located in downtown Lynchburg. Our church has committed to providing coverage at one loft, which requires three shifts of two volunteers each, 9:45 am - 12:15, 11:45 am - 2:15 pm and 1:45 pm - 4:15. We would also like a Captain, who would cover from 9:30 to 1:00 and two backup volunteers in case there is a last minute cancellation. Each volunteer will receive a free ticket for the tour. This is one of the major fund raising efforts for the Free Clinic.
