First Sunday of Advent - The Hanging of the Greens

The Hanging of the Greens is a service for the first Sunday in Advent. It is based on the English tradition of decorating the home with wreaths, garlands, a Christmas tree, and evergreens for Advent and Christmas. In a church setting, it readies the sanctuary (and church members) for the season.

Prelude

Call to Worship

How shall we prepare this house for the birth of Jesus?

With branches of cedar, the tree of excellence and strength.

How shall we prepare this house for the eternal Christ?

With garlands of pine and fir, whose leaves are ever living, ever green.

How shall we prepare this house for the prophet of Galilee?

With wreaths of holly and ivy, telling of his passion, death and resurrection.

How shall we prepare our hearts for this revelation of God?

By hearing again the words of the prophets and the promises of God.

For in the story of Jesus we see revealed the transforming power of God

We are reminded anew of God's vision

of wholeness, justice, and peace for all of creation.

Thanks be to God.
