This unites us with Christian churches around the world and throughout history all studying the same passages. You can get the Readings for the upcoming Sunday each Monday so you can read and study through the week. If you would like, send an email to jreynolds@piedmonteye.com Talk with Jennifer if you have any questions or would like a hard copy. Thanks.

The Online Directory is up and ready to be accessed. Information sheets for using it are at the Welcome Center. This is a password protected directory and therefore only our members will have access to it. Please see Dave Gardner for more information.
