### A Trinitarian Song!

#### Acts 2

11 June 2017

The Holy Trinity

*May God who gathers us around Himself in the Word and Sacrament to bless us with His forgiveness this morning be your source of comfort, strength and renewal as you worship today. In the Name of Christ, we are all called to come and hear that the Lord is Good!*

Our Gospel reading is Matthew 28.16-20 and our response is, **“Praise be to thee, O Christ”** spoken in unity aloud.

Call to Worship: Reading # 6 page 852 in the Hymnal

Hymns: Opening #68 Prayer #555 Closing #336

At the presentation of our offerings we sing the Doxology # 668

The Thursday Bible Study has ended for the Summer but will pick back up after Labor Day.

**Men's Study – Tuesday – 7:00pm - Melchizedek**

Today we celebrate Trinity Sunday. At the base of our faith is a Sacred Mystery. We serve One God who has Three persons who are distinct but not divided; unified but not uniform; equal in essence but different in role. Got it! No, we will never “get” it. It is a Mystery and a Truth. Deny it and you will lose your soul; try an understand it and you will lose your mind! But the Trinity is not just neat doctrine. Understanding the interplay between Father, Son and Holy Spirit keeps us singing!
